

**Ryan White Title I Program
FY 2006-07 Service Delivery Policies**

Summary of Changes from Prior Fiscal Year:

- General policies that relate to all providers regardless of funded service category can now be found in Section I, page 5.
- All policies specific to Minority AID Initiative (MAI)-funded services can now be found in Section I, page 6.
- The service definition for Outpatient Medical Care has been re-formatted.
- Information related to reimbursement rates and fee schedules for affected service categories have been updated. See individual service categories for details.
- Substance Abuse Counseling – Residential now has an allowable reimbursement rate of up to \$125 per day.
- Psychosocial Counseling has been renamed as Mental Health Therapy/Counseling. Please review this service definition for details regarding counseling levels and associated staff educational and/or licensing requirements.
- Letters of Medical Necessity and Prior Authorization have been reorganized by related service category in Section V.
